To adopt the Town tax levy of all or part of the sum needed to balance the budget with balance to be taken from the surplus pursuant to §60.10(1)(a).

Clerk Regina Riedel reviewed the proposed levy amount. The allowable base levy amount is \$425,448. Increases for debt service to be paid in 2023 total \$162,881. An increase to offset increases in contract amounts for Brooklyn Fire & EMS totals \$643. The total proposed levy is \$588972, an increase of \$53,135 over last year due to new debt service.

Motion to approve levy amount of \$588,972 made by Larry Meier/Derek Blume. Motion carried by unanimous voice vote.

Treasurer's Report

Balances as of November 30, 2022 were reported by Treasurer Jessica Nellen (attached).

Building Inspector's Report

Building Inspector Bob Fahey was not in attendance, and had not yet submitted a report for November.

Clerk Update

Clerk Regina Riedel reported that the Town had been randomly chosen by the Wisconsin Elections Commission for a voting equipment audit following the November election. The audit was performed last Friday, with poll workers hand counting all ballots cast at the last election to audit the results against the results tabulated by the Town's voting equipment. No variations in vote totals were found. The cost of the audit will be reimbursed by the Wisconsin Elections Commission and the request for reimbursement has already been submitted.

Recycling Center Update

Riedel has prepared signage notifying residents that the Center will be open Christmas Eve/New Year's Eve, regular hours, as well as signage for the dumpsters instructing residents that wrapping paper must go in trash, not recycling.

Fire District Updates

Pestor attended the last BFD fire district meeting in place of Gruebling, where the group discussed and approved longevity payments for EMS members. Barber reported BFD received approximately \$90,000 in grant money for the purchase of a new ambulance to replace their existing ambulance.

Emergency Management Update

Barber reported stakeholder meetings have been held which municipalities, law enforcement, healthcare representatives and others have attended. There is a hazard assessment that needs to be completed for the Town. Barber will reach out to other Board members to be sure to address any of their concerns in the assessment.

Roadwork Update

Pestor stated Town is considering renting a boom arm brush cutter in 2023 to perform roadside brush removal, in partnership with the Town of Rutland. Renting in conjunction with Rutland will save on trucking costs for the equipment. Wiser believes it will cost around \$4,000 for 40 hours of use.

Motion to approve renting boom arm brush cutter made by Pestor/Barber. Motion carried by unanimous voice vote.

Motion to retain approved brush cutting amount of \$10,000 and have flail cutter cost come out of \$10,000 made by Templeton/Barber.

Discussion: Pestor believes the budgeted amount for brush cutting should be increased to \$15,000, to allow for additional funds to be put towards tree removal in addition to the rental fees for the cutter.

Motion carried 2-1, Pestor voting no.
